

## **Investigation into Travel of Transit Oriented Development: School Students’ Travel Survey of Kelvin Grove Urban Village**

**October 2010**

**Deepti Muley, Dr Jonathan M Bunker, Prof Luis Ferreira (QUT)**

Travel surveys were conducted for collecting data related to school students’ travel at Kelvin Grove Urban Village (KGUV). Currently, KGUV has school students studying at grade 10 to 12. As a part of data collection process, travel surveys were undertaken for school students studying. This document contains the questionnaire form used to collect the demographic and travel data related to school students at KGUV. The surveys forms were hand delivered to the school and the responses were collected back via reply paid envelop provided with the questionnaire form.

## 1. Cover page

Hello,

This survey form will list details about your travel to Queensland Academy of Creative Industries located in Kelvin Grove Urban Village (KGUV). The results will help us understand the travel needs of students at KGUV. Later the results will be used to improve the way in which transport services are provided in these communities in the future.

Please return the completed questionnaire form using the reply paid envelop provided to you along with signed 'Parent Permission Form'. The responses without signed 'Parent Permission Form' will not be used for analysis.

We appreciate your participation in the survey.  
Your comments regarding transport issues at the KGUV are most welcome.

Thank you.

Confidentiality:

All comments and responses are anonymous and will be treated confidentially. The names of individual persons are not required in any of the responses.

Please contact the research team members named below to have any questions answered or if you require further information about the project.
